8. OLD BUSINESS.

The Blue Water Navy Legislation was discussed and CVSO shared an overview of what procedures the office has been taking to prepare for this new demographic of veterans. Kewaunee CVSO explained some of the correspondence that he has received regarding the new Blue Water Navy Legislation

The CVSO explained that the 501(c)(3) for the Veterans Service Council is up for its annual renewal and that we are working with Attorney James Downey to submit that information to the appropriate state and federal departments.

The CVSO reminded everyone that the 2020 dues will be \$100.

Veterans Day "Salute to Veterans" Dinner was held on Saturday, 9 Nov 19 at Corpus Christi. CVSO invited Bill Sauve to provide a recap of the event. Mr. Sauve expressed

his gratitude and thanks to all the veterans and post members in attendance that supported the dinner and helped make it such a successful event. Planning for the third annual dinner at Corpus Christi will begin in March.

A Veterans Day Ceremony was held on Monday, 11 Nov 19 at Southern Door High School gymnasium and was hosted by American Legion post 372. CVSO attended the Veterans Day Ceremony on Washington Island and provided an overview of the ceremony. A meet and greet was conducted after the ceremony for the Island veterans to meet new CVSO.

Christmas Dinner was held at the VFW Clubhouse on Wednesday, 25 Dec 19 at 1300. It was noted that if this event is planned in the future, the Werkheiser family can work directly with VFW Post 3088 to organize the meal and publicity for the event.

After the CVSO and ACVSO determine the current needs, Delta Co. will officially be launched.

Discussion took place regarding the Armed Forces Day Breakfast and the decision to look at the breakfast being held at a different venue next year due to the declining amount of available volunteers.

The CVSO reminded everyone that if they knew of someone who would be an appropriate key note speaker at the Memorial Day Ceremony for 2020, that they should notify the CVSO or ACVSO as soon as possible. The rotation regarding the refreshments and rifle squad were discussed.
